**TERMS AND CONDITIONS:**

- 1) All linehaul rates are airport to airport.
- 2) DTC spot rates available for single shipments over 2500 pounds.
- 3) Local delivery rates apply to all shipments beyond airport facility.
- 4) All weights subject to dimensional correction factor of 250.
- 5) Rates are subject to change without notice.
- 6) Any shipment not booked by 1700 hours will be subject to space availability.
- 7) All shipments tendered will be at a release valuation of \$50.00 total or \$0.50 per pound, whichever is higher, of the actual portion lost or damaged, unless a higher value is declared and applicable charges paid. Any shipment with a DECLARED VALUE MUST BE APPROVED BY CSE MANAGEMENT BEFORE ACCEPTANCE FOR TRANSPORT. Maximum declared value permitted \$100,000.00.
- 8) All local, airport to airport, and special rates are subject to current fuel surcharge.
- 9) Shipper agrees to notify management before tendering hazardous material for transport.
- 10) Shipment will not be considered accepted until Cal Sierra Operations has issued customer a Cal Sierra tag number.
